I just wanted to thank Case Western and Michael Goldberg and all those who contributed their advice in his video lectures for an excellent class on growing entrepreneurship in transitioning economies. I realize for some who are not doing the final write up, they may be exiting the class soon, so even though I won't submit my final exam or final write up until next week, I thought I'd send my thank you today, and wish you all the best of luck! It's been an interesting and enlightening learning experience.
